

Tibby's Leaf

Postcards from the bush

Tibby receives a postcard from the 'bush fairy', with a short message on it.

Using the template below, create a postcard sent to you by an imaginary animal such as a bunyip or yowie. You might even like to create your own creature. Write your message in the same rhyming style used on the 'bush fairy' postcard in *Tibby's Leaf*. You could use a combination of materials (pen, pencil or collage for example) in your picture.
