

Ray's Olympics

Olympic correspondent

Herald

Congratulations!

You have just become a journalist at the *Herald* and your task is to cover the 1956 Melbourne Olympic Games. Design the front page, write the articles and include some images. Don't forget the deadline because Ray will be waiting to sell the papers!

You can get ideas and information by researching the Australian athletes mentioned in *Ray's Olympics* who competed at the Games:

- Betty Cuthbert
- Shirley Strickland
- Ron Clarke.

You may also like to write about the new ABC outdoor broadcast van that allowed events to be filmed and broadcast.

Good luck!
