

This unit is about trying to portray a representation of Australian history in a concise way. To do this you need to start with what you know and think.

1 **Brainstorm** as a class to list some main ideas, events, people or themes in Australian history from 1900 to today. If possible include the date beside each — but you may need to check on some of the dates later. Use this summary table to record your information.

1900s	
1910s	
1920s	
1930s	
1940s	
1950s	
1960s	
1970s	
1980s	
1990s	
2000s
