

## Image pricing schedule July 2023

The National Museum of Australia processes image requests within 4 weeks where possible. A quote can be provided if requested.

The Museum reserves the right to refuse to license any image or to limit the use of any licensed image.

As part of obligations under the Museum's [First Nations cultural rights and engagement policy](#), if your request involves First Nations content the process may involve community/cultural clearance.

Where copyright is held externally, the Museum will need to see proof of copyright permission prior to providing an image.

All prices are in Australian dollars and exclude GST. GST will be included in the quote.

Any transaction or bank fees are the responsibility of the purchaser. Images will only be supplied on receipt of full payment.
